

# SERVICES

## MEDICAL TOURISM, PHILIPPINES

### CARDIAC & VASCULAR CATHETERIZATION

- Cardiac Catheterization and Coronary Intervention
- Balloon Valvuloplasty
- Coronary Angiography
- Pacemaker Implantation / Insertion
- Percutaneous Coronary Revascularization
  - o Balloon Angioplasty
  - o Intracoronary Stenting
  - o Thrombolysis
- Right and Left Heart Catheterization
- Cardiomyopathies
- Valvular and Congenital defect

#### Valvular / Peripheral Radiology

- Arteriography
- Diagnostics
  - o Abdominal Aorta
  - o Cerebral
  - o Hepatic, Etc.
  - o Renal
  - o Thoracic Aorta
  - o Upper / Lower Extremities
- Interventional
  - o Coiling (cerebral)
  - o Embolization (Glue, Particles, Gelfoam)
  - o Tripple A Repair (Abdomino – Aortic Aneurysm)

### CENTER FOR SNORING & SLEEP DISORDERS

- Polysommography Test
- Diagnostic Test
- Multiple Latency Test
- Slit Test
- Therapeutic Test

### EAR, NOSE & THROAT / HEAD & NECK CENTER

#### ENT Outpatient Clinic

- Flexible Nasopharyngeal/ Laryngeal Endoscopy
- Microscopic Ear Examination
- Rigid Nasal Endoscopy

#### Hearing and Dizziness

- Immitance Testing

- o Acoustic Reflex
- o Auditory Brainstem Response (ABR)
- o Oto-acoustic Emission (OAE)
- o Tympanometry
- o Videostagmography (VNG)
- o Play Audiometry
- o Pure Tone Audiometry (PTA)
- o Speech Audiometry (SRT, SDS)

### EYE CENTER

- Double Frequency YAG Laser
  - o Diabetes Retinopathy
  - o Fluorescien Angiography
  - o Ishihara (Color Blindness Test)
  - o Laser by Indirect Ophthalmoscope
  - o Laser
  - o Capsulotomy (Posterior Capsule Opacity – After Cataract)
- o Glaucoma
- o YAG Laser
- o Ocular Ultrasound
- o A-Scan (Biometry)
- o B-Scan
- Optic Disc Photography
- Perimetry (Visual Field Test)
- Refraction
- Tonometry (Intracular Pressure Measurement)

### NEUROSCIENCE CENTER

#### Clinical Neurophysiology Laboratory

- Electroencephalography (EEG)
- Electromyography and Nerve Conduction (EMGINCV)
- Evoked Potential (EP)
  - o Auditory Brainstem Response (ABR)
  - o Somatosentory Evoked Potential (SEP)
  - o Visual Evoked Potential (VEP)

#### Neurocognitive and Neurobehavioral Clinic (W.I.S.E. Clinic)

- Counseling
- Memory Screening
- Neuropsychological Evaluation
- Neuropsychological Screening

## **NUCLEAR MEDICINE**

- Bone Densitometry
- Imaging Procedure
  - o Cardiovascular Studies
  - o CNS Studies
  - o Endocrine Studies
  - o Gastro-intestinal Studies
  - o Hemapoietic / RES Studies
  - o Lacrimal Duct Imaging
  - o Lymposcintigraphy
  - o Renal Studies
  - o Respiratory Studies
  - o Salivary Gland Imaging
  - o Skeletal Studies
- Radionuclide Therapy
- Radioimmunoassay Procedures (RIA)

## **PAIN MANAGEMENT & CHEMOTHERAPY**

### **Pain Management**

- Dimensions of Pain
- Handling of the Emotional & Psychological
- Medication Management
- Medical Procedures
- Physical Therapy & Rehabilitation Services
- Surgical Ablative Procedures
- Other Support Services

### **Chemotherapy**

- For adult patients
- For pediatric patients

## **PHARMACY**

- Inpatient Services and
- Outpatient Services (24 hours)

## **PHYSICAL MEDICINE AND REHABILITATION**

- Home Rehabilitation Program for Physical Therapy and Occupational Therapy
- Orthotic / Prosthetic Devices
- Pediatric Rehabilitation
- Physical Fitness Program
- Pulmo Physiotherapy
- Vestibular Rehabilitation
- Physical Therapy
  - o Compression Unit
  - o Electrotherapy
  - o Heat and Cold Therapy
  - o Hydrotherapy
  - o Therapeutic Exercises
  - o Traction (Cervical / Lumbar)

## **PULMONARY DIAGNOSTIC & THERAPEUTIC CENTER**

- Diagnostic and Therapeutic Services
  - o Aerosol Treatment
  - o Arterial Blood Sampling and Analysis (ABG)
  - o Bedside Spirometry
  - o CPAP
  - o Incentive Spirometry
  - o Mechanical Ventilation
  - o Peak Expiratory Measurement
  - o Complete Pulmonary Function Testing (PFT)
  - o Spirometry
- Sputum collection/ induction (for Cytology/ Bacterial examination)

## **RADIOLOGY**

- Computerized Axial Tomography (CT-Scan)
  - o Single Slice (Spiral)
  - o Multi-slice (16)
- Diagnostic X-ray
  - o Mammography
  - o Routine and Special Procedures
  - o Ultrasonography
- Magnetic Resonance Imaging (MRI)

## **RADIATION ONCOLOGY**

- Computerized Treatment Planning
- Custom Block Making
- Radiotherapy Simulator
- Teletherapy
  - o Cobalt 60
  - o Linear Accelerator

## **THE WELLNESS CENTER**

- Adult Wellness Center
- Geriatric Wellness Center
- Adolescent Wellness Center

## **VOICE SWALLOWING LABORATORY**

- Botox Injection for Spasmodic Dysphonia
- Electroglottography (ECG)
- Flexible Endoscopic Evaluation of Swallowing (FEES)
- Kay's Soft Image Processing (KSIP)
- Laryngeal EMG (L-EMG)
- Laryngeal Videoendostroboscopy (LVES)
- Perpetual Voice Evaluation
- Speech Therapy

## **SPECIAL CARE UNITS**

### **ACUTE STROKE UNIT**

The Acute Stroke Unit (ACSU) has 8 beds for Acute Stroke and Neurosurgical cases. The unit also offers personalized sessions to Stroke Victor and Stroke Caregiver. Tissue Plasminogen Activator is available at the ACSU.

### **CENTER FOR PATIENT EDUCATION**

This unit has been established as the primary vehicle for engaging patients, families and caregivers for active participation and shared accountability for the management of their health.

### **DELIVERY SUITE**

The Delivery Suite houses 1 Birthing Room, 2 Operating Rooms, 1 Laparoscopy Room, 3 Delivery Rooms and 2 Lamaze Rooms.

### **EMERGENCY MEDICINE**

The Emergency Room is sectionalized for immediate and specialized urgent care and management of Adult, Pediatric, and Trauma cases.

### **HEMODIALYSIS**

Hemodialysis provides the procedure for both In-patient and Out-patient.

### **INTENSIVE CARE UNIT**

Intensive Care Unit (ICU) has 12 Medical and Surgical beds, 6 special ICU beds, 5 beds for Telemetry, and 4 Pediatric beds.

### **NEONATAL INTENSIVE CARE UNIT**

Neonatal Intensive Care Unit (NICU) handles Inborn and Outborn admission (age 0 to 28 days); administers Hearing Screening Test of Newborn (In-patient) and Newborn Screening for Error of Metabolism (NBS) for In-patient and Out-patient.

### **PSYCHIATRY**

The following services are available at the Psychiatry: Addiction Psychiatry (Detoxification Program, Post-Detoxification Program, Mentally Ill and Chemical Abusers Program); Out-patient and In-patient Services; Support Group Services (We Care Support Group, Out-patient Group Therapy, Stress Management); Occupation Therapy.

### **SURGERY SUITE**

There are 12 Operating Rooms where highly specialized surgical procedures such as Open-heart Surgery and Organ Transplantation are done.

### **WOMEN'S HEALTH CARE CLINIC**

Women's Health Care Clinic offers complete line of services for female reproductive health. The latest advanced diagnostic tests are available at the clinic including 3D/4D Ultrasound; Urogynecology; and Colposcopy.

## **CLINICAL SERVICES**

### **ANESTHESIOLOGY**

Ambulatory  
Cardiovascular/Cardiac  
Generalist  
Intensivist  
Neuroanesthesia  
OB-Gynecology  
Pain Management  
Pediatric  
Thoracic / Pulmoendoscopy  
Transplant  
Trauma

### **MEDICINE**

Allergology & Immunology  
Cardiology

- Critical Care
- Interventional Cardiology
- Invasive Cardiology

Dermatology  
Endocrinology  
Gastroenterology  
Geriatric  
Hematology  
Infectious Disease  
Medical Nutrition  
Medical Oncology  
Nephrology  
Neurology  
Nuclear Medicine  
Pulmonology

- Critical Care

Rheumatology  
Toxicology

### **OBSTETRICS & GYNECOLOGY**

Climacteric Medicine  
Gynecologic Oncology

Gynecologic Urology  
Minimally Invasive Surgery  
Pediatric & Adolescent Gynecology  
Perinatology  
Reproductive Endocrinology / Infertility  
Trophoblastic Diseases

**OPHTHALMOLOGY**

External Disease and Cornea  
Glaucoma  
Neuro-Ophthalmology  
Ocular Pathology and Oncology  
Pedia-Ophthalmology and Strabismus  
Plastic, Lacrimal and Orbit / Oculoplastic  
Surgery  
Refractive Surgery  
Retina and Vitreous

**OTOLARYNGOLOGY**

Adult Audiology  
Facial Plastic  
Head and Neck Surgery  
Laryngology  
Maxillofacial  
Neurotology  
Otology  
Pediatric Audiology  
Rhinology  
Sleep Medicine

**PEDIATRICS**

Adolescent Medicine  
Ambulatory Pediatrics  
Developmental Pediatrics  
Genetics  
Intensive Care  
Pediatric Allergology / Immunology  
Pediatric Cardiology  
Pediatric Dermatology  
Pediatric Endocrinology  
Pediatric Gastroenterology and Nutrition  
Pediatric Hematology-Oncology  
Pediatric Infectious Diseases  
Pediatric Neonatology  
Pediatric Nephrology  
Pediatric Neurology  
Pediatric Pulmonology

**PSYCHIATRY**

Addiction  
Adult  
Child and Adolescent  
Consultation Liaison  
Social and Community

**SURGERY**

Burn  
Dental  
General  
Minimally Invasive  
Neurosurgery  
Orthopedic  
Pediatric  
Plastic and Reconstructive  
Surgical Intensive Care  
Surgical Oncology  
Thoracic and Cardiovascular  
Transplant  
Trauma  
Urology  
Vascular
